SUBMISSION OF INVENTORS' DECLARATION

The above-identified U.S. national phase application was filed on July 6, 2005 without an Inventors' Declaration. Submitted herewith is a copy of the Inventors' Declaration executed by inventors Jean-François Carpentier, Evgueni Kirillov and Abbas Razavi to complete the requirements for filing.

It is believed that no fee is due for the filing of this document as the \$130 fee for filing a late oath or declaration for a large entity was submitted with the national phase application. However, the Commissioner is hereby authorized to charge any additional fee due to the Locke Liddell & Sapp LLP deposit account no. 12-1781.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'William D. Jackson', written over a horizontal line.
